

POSSEHL ERZKONTOR - A PASSION FOR SUCCESS

VISION STATEMENT

OUR VISION

For raw material solutions we are the 1st team of choice.

Since more than 100 years we are improving the raw material balance of our customers. Minerals and chemicals are part of our DNA. We develop the world every day to a better one and put sustainability in focus.

OUR MISSION

In 2024 the majority of our business will come from “tradePLUS” business and from new products & regions. We want to diversify our business and verticalize the value chain.

In 2024 we will be an integrated end-to-end provider of raw material solutions.
